Beverly Drive has a slew of new sweet things from [Beverly Hills Brownie Company](#), the online confectioner that now has its own store at the intersection of Dayton Way. The company offers eighteen types of brownies and assorted dessert

bars in different flavors. Their shifting selection includes classic walnut and chocolate chip brownies, as well as inspired flavors like red velvet, gingerbread, pumpkin chocolate chip, mocha latte, and mint chip brownies, in addition to caramel, vanilla "platinum," and poppy seed blondies, with [very detailed specifications about their shape, size](#), and crisp edges. The new boutique space serves as both a retail store and flagship for national shipping for the three-year-old business. [See the full spread of available brownie options online.](#)
