

# KHLOÉ: MY LIFE WITHOUT LAMAR

- ## INSIDE THE WORST WEEK OF KHLOÉ'S LIFE

Unlucky-in-love singer Taylor Swift, 22, is on the market yet again. On Oct. 25, reports surfaced that she and her beau of three months, Conor Kennedy, 18, had called it quits. An insider says trouble started brewing a month earlier: "Taylor kept sending Conor's cousin Patrick Schwarzenegger texts about her problems with Conor." The exes are sure to have lots of awkward run-ins — Taylor recently bought a \$4.9 million pad in Hyannis Port, Mass. — right next door to Conor's grandma Ethel.

"I don't really know that much about love," Taylor's said.

Nice rebound! On Oct. 21, Jennie Garth, 40, put her divorce from Peter Facinelli behind her by grabbing dinner at LA hot spot Katsuya with a hunky new guy, businessman Jason Clarke. "He's also divorced, and he has a kid, too," says a pal of Jason's. "He's a good guy; he's really nice and so funny." Could Jennie's new beau be reminding her of a certain *Beverly Hills, 90210* co-star? Shares the pal: "Everyone always thinks Jason looks like Brian Austin Green!"
