Jennifer Garner and daughter, Violet, enjoyed some sweet bonding time while buying brownies Monday morning from The **Beverly Hills Brownie Company**.

After perusing the different flavors, the two discussed what kinds to get.

"Jennifer looked lovely, kind and naturally beautiful," an onlooker tells PEOPLE.

The mother-daughter duo purchased a box of brownies to take home and a brownie ice cream sandwich for Violet to enjoy on the spot.

When stopped by a customer who asked to take a photo with the *Odd Life of Timothy Green* star, she happily obliged.
