Brown is the new cupcake, or so it appears in Beverly Hills. The amazing Beverly Hills Brownie Company has been serving up an assortment of tasty brown goodness online for a couple years. But now they've gone and opened their first store right in the heart of Beverly Hills on Beverly Drive. Why not? We already have cupcake shops, donut shops, ice cream shops... so why not a cute little shop dedicated to nothing but brownies? Well, mostly brownies. There's a few blondies and red velvet colored brownies, as well. Try the mint brownie with a scoop of ice cream on top. Can't go wrong there.
