COURTESY BH BROWNIE COMPANY

It's the city that brought us 90210 and a fabulous set of [Housewives](#) — so really, anything that comes from Beverly Hills has to be good, right? [Beverly Hills Brownie Company](#) helps prove that point, serving up sweet treats that don't come with a mansion-sized price tag. For Valentine's Day, the bakery is offering up a sampler box (\$25) that includes two red velvet and two classic brownies. If you think your sweetheart deserves even more, try the Valentine's Dozen (\$55), which includes 12 brownies of assorted flavors (the bakery offers 14 flavorful varieties). You can also treat yourself to a single serving for just \$6. The company ships nationally, so place your order soon to ensure a delicious Feb. 14 delivery.
